

ADLER ARMS
HT-104
MSRP: \$304

The Adler Arms HT-104 is a modern gas piston 12 gauge shotgun that is a great choice for hunting and target shooting at the range. This shotgun features a synthetic stock, bead front sight, and a 18.5" barrel.

You can reliably shoot target, game, and field loads with this shotgun with a simple break-in period. Just fire 25 rounds of hi-power/magnum, buckshot/slug, or 1-1/8 oz loads with a minimum of 1,300 FPS.

SPECIFICATIONS:

- Chambered in 12 Gauge Only
- 18.5" Barrel, 4140 Steel Construction
- 4+1 Capacity
- 3" Chamber Length
- Semi-Auto Piston Operation
